

School Attendance

Most of us would be delighted if we got 80% in a test. But an 80% attendance rate means that you miss 1 day out of every 5!

A good employer would not give a job to a person who is going to have a day off every week!

That is why school aims for a 95% attendance rate.

There was a huge amount of illness in Spring term but students have still achieved an **attendance rate of 93%** for 2014-2015 school year.

Thank you all for your support.

School Uniform

Just a few reminders about the school uniform.

The main item is the school pullover which has our logo on.

White polo shirt with logo for students in Y 7-9.

White shirt and striped tie for students in Y9-11

Clip-on ties are also available.

Blazers are optional, but a plain, coat or waterproof jacket is important in bad weather.

Please make sure that your child wears proper shoes to school, NOT trainers.

Every item should be clearly named.

School uniform is available from Fletcher Sport, Podgers, and Shoestring.
